

报告题目: Geometry of collapsed metric measure spaces with Ricci bounded below

报告人: 张若冰 (Princeton University)

时间: 2024-07-24 星期三 10:30-11:20

地点:光华楼东主楼1601

报告摘要:

this talk is concered with some of my recent work in studying metric measure spaces with Ricci curvature bounded below in the collapsed setting.
