

## 复旦大学数学科学学院 数学综合报告会

报告题目: Ricci flow on surfaces from rough initial data

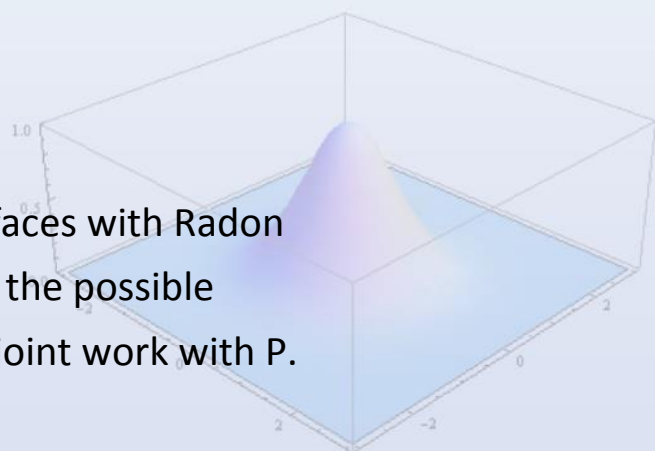

报告人: 殷浩 (中国科学技术大学)

时间: 2023-09-07 星期四 16:00-17:00

地点: 光华东主楼1704室

报告摘要:

In this talk, we discuss the Ricci flow on surfaces with Radon measures as initial data. We also talk about the possible applications of such flows. This is based on joint work with P. Topping.
